SUMMARY

Accomplished Hospitality & F&B Operations Leader with 20+ years of experience across Pakistan, UAE, and KSA, specializing in multi-unit restaurant management, food court operations, and large-scale hospitality projects. Proven expertise in team leadership, customer experience, safety compliance, cost control, and business development. Skilled in driving revenue, improving operational efficiency, and delivering high service standards. Adept at project planning, staff development, and implementing SOPs to enhance performance and guest satisfaction. Committed to operational excellence and continuous growth in dynamic hospitality environments.

WORK EXPERIENCE

General Manager F&B -Sales & Operations **09/2025 - Present**
FUN N MUNCH FOOD COURT - DHA MULTAN

- Lead full operations of a multi-concept dining and entertainment complex, including restaurants, kiosks, live stations, and guest zones.
- Oversee FOH & BOH recruitment, training, scheduling, and performance management to ensure high service standards and VIP handling.
- Maintain facility readiness, safety compliance, hygiene protocols, and operational SOPs for service flow, cash handling, kitchen efficiency, and waste control.
- Direct events, promotions, activities, and guest engagement programs to increase footfall and overall customer satisfaction.
- Monitor key KPIs—COGS, food waste, revenue per cover, staff productivity, and customer retention—to optimize operational performance.
- Support P&L management, financial reporting, budgeting, and strategic planning for long-term business growth, franchising, and market expansion.

- Managed daily operations across multiple restaurant locations, ensuring consistency, efficiency, and smooth service delivery.
- Led, trained, and mentored restaurant managers and teams to enhance performance and operational excellence.
- Monitored budgets, controlled costs, and implemented strategies that improved overall profitability.
- Ensured high standards of customer service, food quality, hygiene, and safety compliance across all units.
- Analyzed KPIs to identify performance gaps and executed improvement plans for continuous operational enhancement.
- Maintained brand standards and ensured strict adherence to company policies, SOPs, and operational guidelines.
- Strengthened communication, coordination, and alignment between branches to improve workflow and team collaboration.
- Supported marketing initiatives, promotions, and sales strategies to increase footfall and boost unit performance.
- Implemented staff scheduling and labor management strategies to optimize manpower utilization and reduce overtime costs.

- Developed and executed detailed project plans to ensure smooth and timely completion of all operational activities.
- Coordinated with senior management to obtain necessary approvals and align project goals with organizational priorities.
- Managed HR functions including hiring support, staffing coordination, and conducting performance evaluations.
- Resolved project-related issues and conflicts efficiently, minimizing operational disruption.
- Planned, allocated, and monitored resources, materials, and manpower to maintain project efficiency.
- Provided continuous feedback and coaching to support team performance, skill development, and productivity.
- Strengthened communication and collaboration between internal teams, stakeholders, and external partners.
- Negotiated with suppliers and vendors to secure quality materials and services at the best value.
